Pets

The joy of our lives! We have several too. With all their cuteness, they can be a handful during the cleaning process. Some are curious and may want a drink of our mop water. Some may not like that strangers are in the house and become aggressive or stressed out. Your pet may love the outside and try to jet out the door if it opens. If you do have pets please let the office know and how many, prior to your cleaning. If you have animals that want to take a drink or may be aggressive or stressed out, please make accommodations for your loved ones. You know your pet better than anyone else. It is a good idea to secure your loved ones if you think they may react negatively during the cleaning service. Tidy House is not responsible for pets that escape or the safety of your pet. Please also let the office know prior to our arrival of your accommodations. We do not touch pet accidents, trophies, or vomit. We will try to clean the best we can around these.
